Subject: Letter of Recommendation for **Nithish Kumar**

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on Quality Education & Decent work and economic growth.

It is with great pleasure that I recommend Nithish Kumar, on the basis of the performance in the MyCaptain Data Analytics With Python Workshop in the month of July, 2021. Nithish Kumar performed extremely well during the workshop and showed excellent skills as seen in the Project submissions and participation in the regular activities. As the mentor, I have seen that in every Live video class session, Nithish Kumar was very participative and always willing to learn and enhance skills in every aspect. Nithish Kumar is always willing to put forth a unique approach for the Projects that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Nithish Kumar, all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

Mohammed Sameeruddin

Mentor **Data Analytics With Python Workshop**
